NEW RELEASE: Yangarra 2018 Single Site Offer

East End Cellars is pleased to present the following pre-arrival offer for the 2018 Single Site releases from Yangarra, featuring the King's Wood Shiraz, Ovitelli Grenache and Roux Beauté Roussanne. The Kings Wood Shiraz 2017 sold out before it could hit the shelves last year, so now is the best opportunity to get a bottle in your hands.

Please see the following notes on this release from Yangarra's chief winemaker, Pete Fraser:

Vintage Summary: The 2018 growing season was a textbook growing season, a very mild spring, a generally dry summer. With moderate yields, we harvested relatively early on the 10th of March (a fruit day in the biodynamic calendar). The 2018 wines produced typically darker and more intense wines.

We have produced the "whole bunch" shiraz since 2009. The use of whole bunches has become part of all our shiraz winemaking, and we felt this wine had the opportunity to further evolve. We had started introducing large format foudre in 2017, and a single block of shiraz (block 12) started to show its head with a particular style that was very much suited to whole bunch and large format oak. The whole bunch label has evolved to become the king's wood.

The name 'ovitelli' is a portmanteau of 'ovi' and 'vitelli' meaning 'egg' and 'life' respectively. The ovitelli grenache is our most perfumed and elegant grenache from the sands at yangarra. The vibrant fruit of the dry-grown 1946 planted bush vines is rewarded with a long, luxurious ferment and a whole autumn on skins in big ceramic eggs. This is our most elegant grenache with great emphasis on perfume, tension and precision.

Yangarra Estate Roux Beauté Roussanne 2018

RRP \$56.00

OFFER \$50.00

100% Roussanne

Region: Estate-grown in Kangarilla, McLaren Vale

Vine age: 15 years

Elevation: 150m above sea level

Soil Type: Weathered sands mixed with ironstone gravels

Roux Beauté began as a winemaking trial in 2013, with the intention of growing and making an extraordinary Roussanne. The grapes fermented and matured on their skins in big 675L ceramic eggs. The resulting wine is luxuriously textured, and showcases the varietal flavours of Roussanne and the distinctive characters of the site. It will age wonderfully given time in the cellar. The name "Beauté" captures our intention to beautifully express the Roussanne varietal and its site. Roux, the French word for 'russet', is the likely part origin of the name Roussanne, and refers to the reddish tinge that forms on the skin of the yellow-green fruit.
